

Drug and Alcohol Prevention Program

Standards of Conduct

Possession and use of illicit drugs and the unlawful possession and use of alcohol are wrong and harmful. Unlawful possession, use or distribution of illicit drugs or alcohol by students or employees on D&S School of Cosmetology's property or as part of any of its activities is prohibited. Compliance with the following standards of conduct is mandatory.

Standards of Conduct Regarding Illegal Drugs

The unlawful manufacture, distribution, dispensing, possession or use of illicit drugs is prohibited at D&S School of Cosmetology. The following policies apply to the D&S School of Cosmetology community:

D&S School of Cosmetology Student Policy on Illegal Drugs

With the legal and medical welfare of the student in mind, the university cannot approve the medically unsupervised use, possession or distribution of drugs. When such medically unsupervised use, possession or distribution of drugs comes to the attention of the university, the student will be subject to disciplinary action which could include suspension or expulsion.

D&S School of Cosmetology Employee Policy on Illegal Drugs

No employee shall report to work under the influence of drugs used in an unlawful manner. No employee shall unlawfully manufacture, distribute, dispense, possess or use drugs on D&S School of Cosmetology's property, as part of any D&S School of Cosmetology activities or while on duty as a D&S School of Cosmetology employee. Any university employee who violates this policy is subject to disciplinary action including suspension and dismissal.

Employees note: It is also a violation of the conditions of employment at D&S School of Cosmetology to report for work under the influence of alcohol or engage in the consumption of alcohol that impairs performance. Failure to adhere to these rules can lead to disciplinary action taken against the offender, including suspension and dismissal.

Standards of Conduct Regarding Alcohol

D&S School of Cosmetology, staff and students recognize the responsibility and potential harm inherent in the use of alcoholic beverages. D&S School of Cosmetology is committed to supporting the laws of the United States and the State of Michigan and reflects that support in its policies and procedures.

Sanctions

In all of its actions, D&S School of Cosmetology seeks to uphold the laws of the jurisdictions in which it operates. Also, as it is permitted by the laws of these political entities, including statutory and case law and the regulations of lawful agencies of these entities, the D&S School of Cosmetology

will apply sanctions that could lead to a student being fined, suspended, expelled or referred for prosecution or an employee being disciplined, suspended, dismissed or referred for prosecution for violations of the schools standards of conduct contained herein or violation of laws concerning unlawful possession, use or distribution of drugs and alcohol.
